

TROOPS HOME FAST

Invitation to Join a Rolling Fast to Bring the Troops Home in Solidarity with Code Pink From July 11th to August 6th (Hiroshima Day)

US soldiers have been forced to put their bodies on the line; the lives of the Iraqi people are at risk every day. It's time for us to do something to show the depth of our commitment to bring our troops home and allow the Iraqis to rebuild their own nation.

That's why CODEPINK and Gold Star Families for Peace, together with activists across the country, will be starting an open-ended hunger strike. With your help, this fast will awaken the public, pressure elected officials and move us closer to peace. Please join us for a day or more as a show of support for the Iraqi people and our soldiers, and your commitment to bring our troops back home-FAST!

Fasters and supporters will hold a vigil in front of the Federal Building on Harlow Street in Bangor on Tuesdays from 11:00 -1:00 and again at the weekly peace vigil Tuesdays from 5:00 -6:00 p.m. from July 11th until August 1st. The fast will end on Sunday, August 6th with a Hiroshima Day commemoration.

Fast Vigils will be coordinated by the Peace & Justice Center of Eastern Maine. To let us know you would like to participate on one or more Tuesdays or to learn more about how you or your organization can get involved, e-mail info@peacectr.org or call 942-9343 or simply join us at the Federal Building

A small body of determined spirits fired by an unquenchable faith in their mission can alter the course of history.

First they ignore you, then they laugh at you, then they fight you, then you win.

*When I despair, I remember that all through history the way of **truth and love has always won**. There have been tyrants and murderers and for a time they seem invincible but in the end, they always fall -- think of it, **ALWAYS**.*
